"Your participation is critical right now because this is truly a life and death mission from God; Babies are dying and mothers and families are suffering. The social and political environment is becoming more hostile to life, and we must be God's hand and feet in defense of the voiceless pre-born babies and their mothers." – *40 Days for Life*

"Each of us knows that prayer is always heard by God and is always answered. How God chooses to answer our prayers is only God's to know, but with confidence and patience, we ask for our country to acknowledge and support the need for improved Palliative Care services for some of the most vulnerable among us."

~ National CWL President. Anne Marie Gorman

The week of May 9-16th has been declared National Week for Life and the Family.

"Family, the Domestic Church: A Sign of Hope and Life"

Families today face many challenges. Life is not always easy but with God all things are possible. The Church, as God's family, is a privileged place of encounter between God and humanity.

The family is a little church—a domestic church. It too is special place where God meets his people.

As the domestic church, the family is by its very nature evangelistic. Through the grace of baptism, members of the family become missionary disciples. The family as a domestic church bears God's presence in the world and is a sign of hope and life.

"Family, the Domestic Church: A Sign of Hope and Life" – Every Christian family is called to be a "little church". As a domestic church, the life of a family is centered on God's saving love. Empowered by the Holy Spirit, Christian families witness to the world that Jesus Christ is Lord. Vivified by the Saviour's presence, the Christian family becomes a sign of hope and life to those who most need it. In this way, the family, living as a domestic church, is a manifestation of our loving Father's providential care for humanity. Please visit: ccc.ca/national-week-for-life-and-the-family/

Archdiocese of Grouard-McLennan Pilgrimage

St. Joseph

We have three churches in our archdiocese dedicated to St. Joseph: in Spirit River, Grande Prairie and John D'Or Prairie (in the Little Red River Cree Nation). You are encouraged as a whole family or individual to make a pilgrimage to these churches. Because churches are usually locked, you'll need to register the date and approximate time of your visit to any of these churches. More details about this will be announced soon. At any of these churches, you can pick up a "pilgrimage passport". In your passport you will find a series of reflections and prayers focused on the sorrows and joys of St. Joseph. You are welcome over the year to visit each of the three churches and pray the devotions and get your passport stamped at that church. When you have visited all three churches you need to go the Chancery Office in Grande Prairie. There you need to present your passport and you will be given an olive-wood crucifix made by Christians in the Holy Land, as a memento of your pilgrimage.

Pastor's Appeal

Dear Parish Family,

We hope this letter finds you and your loved ones in good health. We wish you all happy Easter. We pray continually that through this time of physical separation, your faith may be strengthened beyond measure and that your hearts may be filled with peace and joy of the Risen Lord.

It has been more than a year now since the world changed its face dramatically, due to the devastating effects of the pandemic. Despite this, as believers, we are deeply convinced of the grace and power of a loving God, and that God will act on our behalf, to end this period of constraints and lead us back to joy and happiness.

Your generosity is a tangible expression of unity in the Holy Spirit with our brothers and sisters in our parish community. We are very grateful for your support and your prayers as we face this together. Your supportis more than just generosity, it is a witness of the faith, the Christian faith of the Catholic Church. We do not expect anyone to give more than they feel they can, given these unusual circumstances. however, to the extent that you possibly can, we encourage you to support our parish communities.

The majority of donations to our parish come through the collection basket passed during Sunday Mass. These have virtually disappeared since public celebrations of the Mass were suspended on March 16, 2020

As your priest and fellow-believer, out of deep concern for the welfare of our church, I'm inviting you prayerfully to consider how you can continue to support your parish's mission. We're not a parish that can support big things, but we survive because of your generosity and good will. I know that these are financially challenging times. You may have lost your job, or your business viability may be threatened. Your savings may have been diminished by market conditions. And I understand that your primary financial responsibility is, of course, to your own home and family. I hope you'll understand that I still need to ask that you also remember your spiritual home, which is your parish.

There are several ways you can give to our parishes:

Use the Donate button on the archdiocesan /parish website to make your donation.

Use Pre-Authorized debit or Credit Card.

Use the 2021 envelopes for the coming year, which are now available for pick up in the entrance of the church. Donations can also be mailed to parish offices or dropped off at the parish office's mail slot.
Peace and love. Blessings on you!

Fr. Michael Dias & PPC, PFC .St. Mary's Parish family, Beaverlodge
Below is a short summary of our parish finance situation.

St Mary's Parish Financial Update
April 22, 2021

Sunday Donations
Monthly Avg
Pre COVID 2019 \$8,100

COVID 2020 \$7,100

Year to Date 2021 \$5,200

Donations are significantly reduced due to COVID. We experienced a reduction of \$1000 per month in 2020 and a further \$2000 per month year to date in 2021 (total donation drop of \$3000/month since 2019). We have reduced our costs by maximizing access to government programs, minimizing discretionary spending, completing repairs and maintenance through volunteer support and reducing salary through a temporary layoff. Most of the accounting and book keeping support in 2020 was completed through volunteer efforts. The diocese is helping us manage cashflow by deferring cathedraticum, clergy salary and priest retirement payments. In spite of these efforts, our expenses are exceeding donations by approximately \$2300 per month. At the end of March we are reflecting a shortfall of approximately \$6000. This will need to be offset with additional donations, fund raising and/or withdrawal from our reserves. COVID has been extremely difficult for everyone and we are grateful for the generosity of those continuing to support the parish financially. In spite of COVID and reduced numbers at mass however, we still have significant expenses that must be paid each month. We thank you in advance for your consideration.
