## Roman Catholic Diocese of Mackenzie-Fort Smith Spring Floodwaters

The spring breakup on the Mackenzie and Liard  
rivers has caused historic and devastating levels of  
flooding in several of our communities. Particularly  
hard hit has been Fort Simpson, where over 700  
people have been evacuated, and Jean Marie River  
which was completely inundated by the river waters.

While we can be grateful that there has been no loss  
of life, the property loss and the trauma caused by  
dislocation and anxiety is incalculable. It is difficult  
to know how to help at this early stage, but I would  
ask that you please pray for all those who have been  
affected by the flooding or are waiting downstream  
and preparing for the flood waters to arrive.

A collection to help aid in flood relief in the Diocese  
of Mackenzie-Fort Smith can be sent to:

## ARCHDIOCESE OF GROUARD-MCLENNAN New Mass Restrictions

**The following restrictions will be in place for  
all parishes in the Archdiocese, as of May 5:**

- Mass and all other parish services limited to 15 in-person attendees, or 10% of firecode capacity, *whichever is less*
- Physical distancing between households must be maintained at all times
- Funerals and weddings have a maximum of 10-person attendants, including all participants and guests. Receptions are not permitted
- These restrictions apply to all services, held indoors or outdoors, seated and non-seated

## Archdiocese of Grouard-McLennan Pilgrimage St. Joseph

We have three churches in our archdiocese dedicated to St. Joseph: in Spirit River, Grande Prairie and John D'Or Prairie (in the Little Red River Cree Nation). You are encouraged as a whole family or individual to make a pilgrimage to these churches. Because churches are usually locked, you'll need to register the date and approximate time of your visit to any of these churches. At any of these churches, you can pick up a "pilgrimage passport". In your passport you will find a series of reflections and prayers focused on the sorrows and joys of St. Joseph. You are welcome over the year to visit each of the three churches and pray the devotions and get your passport stamped at that church. When you have visited all three churches you need to go the Chancery Office in Grande Prairie. There you need to present your passport and you will be given an olive-wood crucifix made by Christians in the Holy Land, as a memento of your pilgrimage.

## Prayer by Pope Francis for protection during the COVID-19 pandemic

*O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick.*

*At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us:*

*He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection.*

*Amen.*

*We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin*

**Local priest personally affected by India’s pandemic crisis hopes people will pray for recovery**

By Kyle Greenham  
ArchGM News

Each day Father Michael Dias scrolls through his phone to see the latest devastating news from his home country of India, [a nation brought to the brink](#) by the COVID-19 pandemic.

It is one harrowing story after another. His two nieces are front-line workers at the Manipal Hospital, working 24 hours a day with no opportunities to return home. The hospital’s 5000 beds are now all filled with COVID patients.

Dias' home province of Karnataka in southern India is now reporting more than 500 deaths every 24 hours. Dias' brother contracted the virus and has been hospitalized and on a ventilator for the past two weeks.

Catholic churches Dias visited as a boy have now been turned into isolation centres for COVID patients who have been turned away from the hospitals. Most recently, Dias heard from a family member that 71 bodies were found dumped and floating in a river in eastern India.

It's these stories that have kept Dias' prayers with constant thoughts of India, his family and the thousands of COVID victims.

*Many of Fr. Michael Dias's family in India have been affected by the COVID-19 pandemic. He has served the Archdiocese of Grouard-McLennan for nearly three years.*

"The situation is not good. It's very scary. In my home province there were 39,000 cases and 517 deaths just in the past 24 hours," Dias said in a May 12<sup>th</sup> interview. Dias has been a pastor with the Archdiocese of Grouard-McLennan for nearly three years, serving the parishes in Beaverlodge, Hythe and Rio Grande.

"My nieces working the frontlines seem very distressed," the priest added. "They are working 24/7; they won't even let them go home for a day to recuperate. Death rates are rising. People are suffocating. Many sick people are being turned away."

*Rev. Michael Dias celebrating Mass in his home country of India. As the country is faced with a devastating COVID-19 outbreak, his thoughts and prayers are often of home at this time.*

As for what parishioners in the Archdiocese of Grouard-McLennan can do to help in this difficult and historic situation, Dias offers three words of advice.

“Pray, pray, pray,” he said. “Pray for the victims. Pray for the Indian government that their [leaders] will have the knowledge and wisdom to do what is right. And whatever people can contribute to Caritas India through Development and Peace, they should.”

The Catholic charity [Development and Peace-Caritas Canada](#) launched [their appeal to combat the pandemic crisis in India](#) on May 6. All donations go to Caritas India, and other Church-supported charities, who have launched several initiatives to help the Indian people get through this crisis, particularly in poorer regions of the country.

Mia Klein-Gebbinck, a representative with Development and Peace-Caritas Canada for the Archdiocese of Grouard-McLennan, says the help is desperately needed.

“The need is so great. We all have to do whatever we’re able to do,” said Klein-Gebbinck, who is a parishioner of St. Mary’s Church in Beaverlodge and has worked with Development and Peace-Caritas Canada for more than 25 years.

“It’s a reliable avenue for the donations to go. Development and Peace is a Catholic charity supported by our bishops, and the Caritas network has been tried and tested for a long time. Donations are just drops in the bucket according to the great need that is there, but every drop in the bucket is helpful.”

Klein-Gebbinck has a sister who is a nun with the Medical Mission Sisters, a religious congregation dedicated to providing health care in poorer regions of the world. The Medical Mission Sisters established several hospitals in the New Delhi area of India, which is currently heavily affected by the COVID-19 outbreak. Klein-Gebbinck’s sister has told her that many of the nuns offering health care in that region are being worked to capacity, and some have fallen gravely ill with the virus themselves.

"It's a desperate situation," said Klein-Gebbinck. "In this over-crowded, dense populations the virus spreads like wildfire. It overwhelms you thinking of the number of things to be done. So we need to work with organizations like Caritas India who are on the ground and know where the needs are greatest."

Some of Caritas India's efforts include bringing food to distribution centres and to impoverished communities, as well as sanitizer and hygiene materials. They also donate equipment and resources to Church-run clinics and hospitals in India. As well, they fund and organize public education campaigns to help people know where they can get vaccinated or access other health care resources.

"There's shortages everywhere. Whether it's medical supplies, oxygen, medications, beds – they're all desperately needed. It's apocalyptic right now," said Klein-Gebbinck. "Even though it's a hard time for us here in Canada, with the scope of the situation in India, the needs there are so great. We have no idea what it's like."

"Whatever we can do to help, we need to do."

Donations to Development and Peace-Caritas Canada's efforts in India can be made online ([www.devp.org](http://www.devp.org)) or through Saint Mary's Catholic Church, Beaverlodge by noting – Develop & Peace India Appeal on cheque.. Father Dias also proposed that parishes offer a Mass with intercessory prayers for the victims of the COVID-19 pandemic – not just in India, but around the world.
