Archdiocese of Grouard-McLennan Pilgrimage

St. Joseph

We have three churches in our archdiocese dedicated to St. Joseph: in Spirit River, Grande Prairie and John D'Or Prairie (in the Little Red River Cree Nation). You are encouraged as a whole family or individual to make a pilgrimage to these churches. Because churches are usually locked, you'll need to register the date and approximate time of your visit to any of these churches. At any of these churches, you can pick up a "pilgrimage passport". In your passport you will find a series of reflections and prayers focused on the sorrows and joys of St. Joseph. You are welcome over the year to visit each of the three churches and pray the devotions and get your passport stamped at that church. When you have visited all three churches you need to go the Chancery Office in Grande Prairie. There you need to present your passport and you will be given an olive-wood crucifix made by Christians in the Holy Land, as a memento of your pilgrimage.

An Emergency Appeal has been launched by archdiocese for donations to assist with relief work during the devastating flood that occurred in the Diocese of Mackenzie-Fort Smith. Archbishop Pettipas' has granted permission to the parishes of the archdiocese to solicit donations in aid of flood victims. You are encouraged to contribute and receive charitable receipts.

You can directly contribute online at
at <https://www.canadahelps.org/en/dn/m/6296/donation>. Those who use this method will receive the receipt from Canada Helps, directly. Or through Saint Mary's Catholic Church, Beaverlodge by noting – Diocese of Mackenzie – Fort Smith Flood relief on cheque. Or Mail address: Diocese of Mackenzie-Fort Smith. 5117-52nd Street. An update on the COVID crisis in the Indian subcontinent

June 7, 2021

Montreal

By:

Judith Faucher, International Projects Funding Officer

On May 6, 2021, Development and Peace — Caritas Canada **launched an urgent appeal** to help our partners respond to the COVID-19 emergency in India and the Indian subcontinent. As always, our members and supporters responded with immense solidarity and generosity. *By May 31, 2021, we had raised over \$110,000.*

This money will allow Development and Peace to support our partners' relief efforts not only in India, but also in Nepal, where the COVID-19 pandemic is having disastrous but underreported effects.

In India, our support will help Caritas India to:

- Establish a First-Level Treatment Centre with 20 beds to deliver primary care to at least 200 patients.
- Establish two Information and Sharing Centres to raise awareness and provide information on services available. It is estimated that 4,000 people will be supported with vaccine registration through these centres.
- Provide frontline health workers with 100 medical kits for COVID-19 patients in home quarantine or isolation. The kits include N-95 masks, hand sanitizer and other health supplies.

In Nepal, our support will help Caritas Nepal to:

- Distribute oxygen cylinders, oxygen concentrators and personal protective equipment to health facilities.
- Distribute home isolation kits to help families to safely care for loved ones with mild cases of COVID-19.
- Expand and rehabilitate existing isolation centres and construct new isolation centres.
- Deliver COVID-19 messaging on local radio in zones targeted by the project.
- Provide risk mitigation messages and other approved COVID-19 information via telephone helplines.

Given the scale and spread of the pandemic across many parts of the Global South, we know that other regions will need to be similarly supported. Therefore, all donations made to our COVID-19 Emergency Fund from June 1, 2021, will be deployed wherever the need is greatest. This will notably include Brazil, where over 472,000 people have died because of COVID-19. On behalf our partners and the people they serve, we thank you from the bottom of our hearts for your solidarity. Your generosity is deeply appreciated and **continues to be needed**.
