Fundamental Question

A synodal Church, in announcing the Gospel, "journeys together": How is this "journeying together" happening today in your particular Church ?

This question is a starting point for you to think about and share your own experiences in and with the Church. Some things to think about in answering this question are:

- How do you think you have journeyed with others?
- What are specific events or interactions that capture your feelings about the faith and the Church?
- Who has inspired you to start or continue your faith journey?
- What have been your highest and lowest points on your faith journey, and how has the Church been a part of that?
